# What our clients are saying:

## CloudNine is a Dream!

"I have used CloudNine for three years. The platform and search features are intuitive and easy-to-use. Allows me to be more efficient with my time and the ease of collaborating with associates and paralegals is a plus. I've never experienced a crash or any technical issues - It's been smooth sailing every time."

- Litigation Attorney

## Robust and Easy to Use!

"We have been quite happy CloudNine Review. Their platform is robust, easy-to-use and ideal for a firm like ours where we don't have to buy and support the software."

- Senior Associate

## The Product Simply Works!

"We've been seeing a high volume of data reduction from the software, sometimes in the range of 80 to 90 percent on our initial data ... The product simply works!"

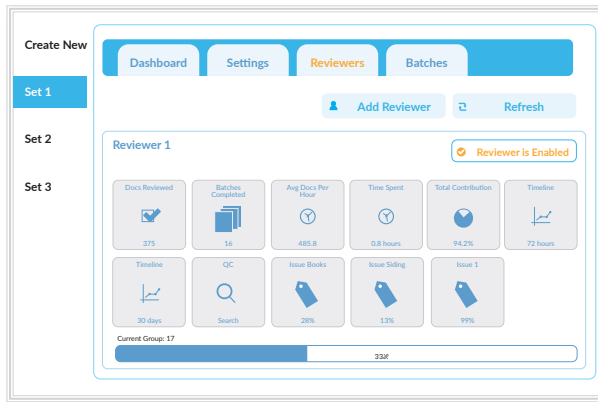

- Litigation Analyst

## Solid, Proven Technology!

"Law firms today are pushing for continuous innovation. Yes, we need to keep up with technological changes; and at the same time, we need solid, proven technology we can rely on - thankfully, CloudNine delivers both."

- eDiscovery Manager

Founded in 2002, CloudNine software helps thousands of clients answer their most pressing discovery questions, every day.

## Review Batching

- Create Review Sets
- Admin Dashboard
- Monitor Progress (by set or reviewer)

## Speed of Initiation

An actual example of new customer's first day with CloudNine Review:

- Registered online and began to upload data.
- Uploaded 27 GB of PST email files.
- Processed 300,000 documents (emails and attachments).
- Reduced document set by 61% with deduplication and irrelevant domain filtering.
- Accomplished these tasks within 24 hours of registering.

## Modern Certifications

Based on a protected cloud data center infrastructure and dedicated cloud environment, CloudNine complies with important standards, certifications, and attestations including:

- FISMA Compliance
- SSAE 16 Type II Audit (Completed)
- HIPAA Compliance
- ISO 27001 Compliance
- PCI DSS Compliance
- CSA Security, Trust & Assurance Registry
- EU-U.S. Privacy Shield Framework
- Swiss-U.S. Privacy Shield Framework
